

ROSES FOR 1925

AND SOME ROSARIAN'S REQUIREMENTS FOUR NEW AUSTRALIAN ROSES

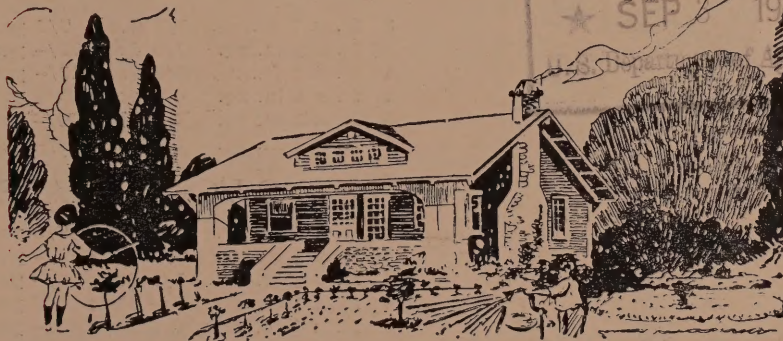

Of these new Roses, "Lorraine Lee" was sent out for the first time last Winter, while the other three are now being offered to the public for the first time in 1925. "Ella Scott" was raised by Mr. G. J. Scott, of Coburg, while that well known rosarian, Mr. Alister Clark, "Glenara," Bulla, is responsible for the others.

The success attained in recent years with Australian-raised Roses should inspire all lovers of the "Queen of Flowers" to include these new introductions in their gardens. In each case the raisers have donated their portion of the proceeds of the sale of these varieties to the National Rose Society of Victoria.

"ELLA SCOTT"

A Wichuriana Climbing Rose with mildew-proof foliage and a strong vigorous grower. The flowers are produced in large trusses each consisting of from fifteen to twenty blooms of a beautiful deep rosy pink approaching red. A decided acquisition to its class, and quite distinct from any other variety. Awarded Certificate of Merit from the National Rose Society of Victoria.

Price: 3/6 each.

"LORRAINE LEE"

This splendid new introduction represents one of the greatest advances made for years in free-flowering, bright colored, healthy foliaged, ever-blooming Roses.

The flowers are of a beautiful shade of warm rosy apricot-pink with a flush of salmon and the whole bloom has an even tone about it which instantly commands attention and admiration. The foliage is mildew-proof and healthy, and the plant grows into a fine sturdy bush very quickly.

It is a wonderful variety to bloom, both as regards its freedom in this respect and on account of the lengthy period during which it is in flower. The plants come into bloom early (several weeks before the general varieties of Roses) and continue to flower well into the winter thus making it an exceptionally valuable commercial variety for florist's work, as well as a gem for general garden decoration.

Lorraine Lee is different to most new introductions, inasmuch as it is not an improvement on any variety already in existence, but is entirely distinct from any Rose yet raised and stands on its own merits.

Lorraine Lee is a phenomenal Rose in every respect, and may be summed up as Mr. Alister Clark's greatest achievement with this beautiful and popular garden flower.

Price: 3/6 each.

F. H. BRUNNING PTY. LTD.

NEW AUSTRALIAN ROSES—(Continued).

"DAYDREAM"

This fine new Rose has been thoroughly tested out at Glenara. It is quite distinct, lasts well when cut, has good foliage and is a strong vigorous grower. The flowers are of the semi-double class so popular in Europe and America, and may be described as resembling large Water Lilies of blush pink shading. A truly beautiful and charming variety.

Price: 3/6 each.

"MILKMAID"

A fragrantly perfumed, vigorous growing Climbing Rose, with good foliage and habit. In Spring it carries large trusses of creamy yellow flowers, and it sets quantities of seed pods in Winter. This new Rose was tested in England for Mr. Alister Clark by the British expert, Mr. H. R. Darlington, and it was quite a feature in this gentleman's winning stand of decoratives in London last Summer.

Price: 3/6 each.

Rose, Chateau de Clos Vougeot.

THE "EVERLASTING" BRASS ROSE LABEL

A highly finished lacquered brass label that will not tarnish. Is thoroughly weather-proof and will last for many years. Up to the present, only a limited range of varieties is available in this excellent label. Space does not permit of the list being included here, but the sorts kept in stock will be furnished on application.

Price:—6d. each; 5/- per dozen.

Postage, 3d. per dozen extra.

JARRAH STAKES

3 ft. x $\frac{1}{2}$ in. sq.	1/3 doz.; 7/6 per 100

6 ft. x 1 in. sq.	4/6 doz.; 30/- per 100

Lots of fifty and over of any one size will be supplied at the hundred rate.

"RELIABLE" SNAIL & SLUG EXTERMINATOR

The New and Effective Method of Destroying Slugs and Snails.

This preparation is easy to use, non-injurious to the hands or the most delicate plants, and is ready for immediate use. Scatter freely where Slugs and Snails are troublesome. It does not kill by contact, and is most effective in its action. A demonstration conducted in the Alexandra Gardens, in the presence of Press Representatives and leading Horticulturists, resulted in the destruction of no less than 230 Snails on and about two plants.

The Exterminator is Poison, and is not to be Taken. It contains not less than 5% Arsenic Pentoxide (As₂O₅).

Price:—1½ lb. tin .. 1/6. 5 lb. tin .. 4/6. 24 lb. tin .. 20/-.

SECATEURS

Excellent for pruning Roses, Shrubs, Fruit Trees, etc., as well as for gathering Flowers. A large selection of the leading makes always in stock, including the well-known Reiser and Mexieur brands. Write for full particulars.

Mexieur Secateurs from 6/6 to 10/6 per pair

The Genuine Reiser Secateurs, 9 inch 13/6 per pair

When ordering Secateurs, please specify which of the two above brands is required, and also which particular priced article.

GENERAL COLLECTION OF ROSES

This season we have a fine lot of clean, healthy Rose plants available in Full Standard, Three-Quarter Standard, Half-Standard, Bush or Dwarf and climbers. A selection may be made of any of the varieties included in our general list, with the exception of Novelties and New Introductions at the following prices:—

Full Standards	3/9 each.	42/- per dozen
Three-Quarter Standards	3/3 each.	36/- per dozen
Half Standards	2/9 each.	30/- per dozen
Bush or Dwarfs and Climbers	1/6 each.	15/- per dozen

As the season advances, stocks of many of the more popular sorts become exhausted, and clients are therefore requested to state whether the substitution of a similar variety is acceptable or not. Unless definitely instructed to the contrary, we will include the nearest variety in the event of any sorts ordered being sold out.

PACKING CHARGES

Packing is Extra on All Roses which require to be sent by either rail or boat. This packing is made very secure, and materially assists in effecting delivery in good order and condition. The rates are:—

1 or 2 plants. No charge	3 or 4 plants	6d.	5 or 6 plants	9d.
7 and upwards	24 and upwards	1/6	50 and upwards	2/6

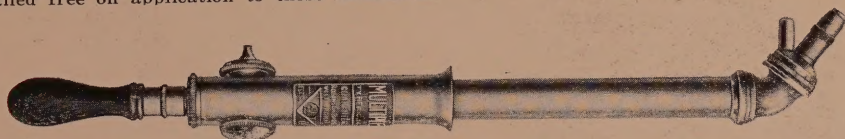

Case and Packing is at all times extra when plants are forwarded out of season in pots, and the above charges apply to Roses ex the ground.

THE "ARGUS" COLLECTION OF ROSES

This list represents the selection from the 1924 plebiscite, and includes the first twelve, together with the first three from the second twelve, making a collection of the fifteen Roses in all. The numbers represent the order of popularity.

- | | | |
|-----------------------------|--------------------------|-----------------------|
| 1. Madame Abel Chatenay. | 6. Mrs. Herbert Stevens. | 11. Ophelia. |
| 2. Golden Emblem. | 7. Lady Hillingdon. | 12. Red Letter Day. |
| 3. Madame Edouard Heriot. | 8. Sunny South. | 13. Belle Siebrecht. |
| 4. Chateau de Clos Vougeot. | 9. Miss Marion Manifold. | 14. The Lyon. |
| 5. Frau Karl Druschki. | 10. General Macarthur. | 15. Mrs. Bryce Allen. |

For colors and other details of Roses, as well as for full particulars of Trees, Shrubs and Plants generally, see Brunning's 1925 Plant and Shrub Catalog. Copies will be mailed free on application to those interested.

ROSE SYRINGES

MULTIPLE No. AA. 141.

A first-class all-brass Syringe, suitable not only for Roses, but for General Garden Use. Made in Great Britain of the finest material and workmanship throughout. Highly recommended. Fitted with Patent Nozzle, one Rose, Jet and Drip Protector.

Price: 19/- each. Postage, 1/-; Interstate, 1/8.

MULTIPLE "MIDGET" NO. A.G. 16.

A cheap, dependable and efficient spraying machine. Made from good quality brass with reliable leather plunger. Barrel 14 inches long by 3/4 inch diameter. Produces a very fine misty spray.

Price: 8/6 each. Postage, 9d.; Interstate, 1/2.

"FAWCETT" COMPRESSED AIR SPRAYER

(Capacity, 2 Gallons).

This Sprayer is made so that all the pumping can be done before the actual spraying commences. Take the pump out of the container by unscrewing the nut at the top, fill the container about three-quarters full with the spray compound (liquid), place the pump back again and screw home tight. The lugs at the bottom of the handle fit into the recess at the top of the nut. This permits the nut to be screwed home tight, and at the same time enables the tank to be carried when desired, thus obviating unnecessary cumbersome lugs and nuts.

The nozzle can be adjusted to give a long straight jet or graduated through to a fine, misty spray as required. The pin which gives these graduations also shuts off the air while the tank is being filled, and removes any dirt from the outlet in the nozzle. The outfit also includes a web strap for carrying the tank from tree to tree.

Price:—In Brass £2/7/6 each.

GARDENING GLOVES

All sizes both for ladies and gents, kept in stock, embracing a very wide range of colonial made and imported heavy and light gloves. Owing to the sizes and designs constantly varying, it is not possible to list in detail all the gloves we may have in stock, but to facilitate ordering the following six lines have been standardised.

When ordering, please refer to these gloves by number.

A 180.	Ladies', Extra Small	3/-	per pair
B 121L.	Ladies', Small Ordinary	3/-	per pair
C 122M.	Ladies', Medium Large	3/-	per pair
D 156M.	Men's, Ordinary Medium	4/6	per pair
E 202M.	Men's, Large	3/6	per pair
F 168M.	Men's Harvesting, Extra Large	4/-	per pair

THE "COLONIAL" BUCKET PUMP

A most useful pump for the Home Garden, and suitable for using in any bucket or an old kerosene tin. The fittings are of cast brass of best quality, and the pump tube is of extra strong gauge. The stand is fitted with 30 inches of good quality rubber tubing, together with a Bordeaux Nozzle, which enables the spray to be regulated as required.

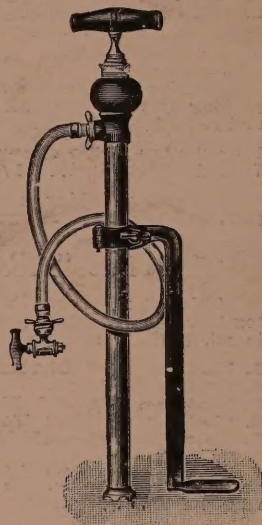

Price, 26/6 each.

The "British" and "Colonial" Bucket Pumps are too heavy to carry by post.

"BRITISH" BUCKET PUMP

A highly-finished and well-made pump of British manufacture, made to fit either a bucket or kerosene tin. Very simple to use and not likely to get out of order, as all parts are easily adjustable. Each pump is fitted with a Bordeaux Nozzle to enable the spray to be regulated, as well as with 30 inches of best quality rubber tubing.

Price, 30/- each.

"British" Bucket Pump.

Postage, Carriage or Railway Freight is Extra on all lines listed on this leaflet.

THE "20th" EDITION, AUSTRALIAN GARDENER

This excellent work for the amateur has been thoroughly revised and brought right up-to-date. Deals fully and thoroughly with the growing of Flowers, Fruit and Vegetables, and has been written by an Australian to suit Australian conditions. Profusely illustrated throughout.

The new edition includes the best of the 19th edition, together with many additions and amendments, including a complete section on Deciduous, Citrus and other Evergreen Fruits, Berry Fruits and the Grape Vine. A most valuable reference work for the Home Gardener.

A very full section is devoted to the growing of Roses, and the hints therein are of the utmost value to the amateur.

Price: 7/6 per copy. Postage, 4d. extra.
